# Australian Children's Content 2010

Screen Australia is pleased to present a cross-section of active Australian companies who specialise in the creation of children's content for international audiences.

Companies listed have been recent participants at KidScreen or MIPTV and represent some of our country's most talented practitioners. Inside you'll find information about them along with contact details and notes on their projects.

We support the development and production of Australian film, television, documentary and interactive media projects. We have co-production treaties with Canada, China, France, Germany, Ireland, Israel, Italy, New Zealand, Singapore and the UK.

Discover more Australian children's programs at  
**[www.screenaustralia.gov.au/films](http://www.screenaustralia.gov.au/films)**.

## Australian Children's Television Foundation

### *Distribution / Production*

The ACTF was established in 1982 to ensure that children have access to high-quality media created especially for them. Today they produce and distribute children's TV drama, feature films and new media products, working with major international broadcasters and production companies. They also distribute children's programming created by other Australian producers.

## Ettamogah Entertainment

### *Acquisition / Production*

Ettamogah is an independent, privately owned media and entertainment company, producing high-calibre animation for broadcast, feature film and digital media. The studio produces carefully crafted animated cartoon projects and original concepts developed by the in-house creative team. With its substantial content library spanning over 50 years Ettamogah has a significant resource of wholly owned original IP from which to draw.

## **Firebreak Productions**

***Acquisition / Distribution / Production***

Firebreak works across a variety of genres, including sit-coms, documentaries, children's light entertainment and animation. With a focus on new and cutting-edge writers, directors and animators, they have developed a compelling library of programming. Firebreak combines traditional TV and film work with digital projects that recast and relook at the entertainment world, with the development of websites and video games.

## **Flying Bark Productions**

***Distribution / Production***

Flying Bark is internationally recognised as Australia's leading producer of quality children's entertainment. Established by Yoram and Sandra Gross in 1968, the company has grown from a family-based animation studio into a major player on the world stage. Flying Bark is a dominant producer of quality 3D programming in Australia, and has recently completed the second series of *Dive Olly Dive*.

## **Funny Az Hell Animation**

### ***Production***

Specialising in pre-production and production for 3D, traditional 2D and flash, Funny Az Hell is a service studio that will ensure that your long-form animated series comes in on time and within budget. With expertise gleaned from working with industry giants such as Hanna-Barbera and Walt Disney, their management team is the most experienced in Australia. Recent productions include *Sally Bollywood*, *Dennis and Gnasher*, *Toddworld* and *I Got A Rocket*.

## Kidsfield Productions

### Production

Formerly known as Roymark TV, the company has been led by Marcia Hatfield for 30 years. She has freelanced with many companies, script writing, developing projects and creating several original kids' series. Her *Toothbrush Family* was the first Australian series to be sold to a major American network. It ran over 200 CBS stations as a regular segment in *Captain Kangaroo* for four years and was part of its Emmy® Award program. Kidsfield is currently developing an updated *Toothbrush Family*.

**Production**

Maik Hempel is a Melbourne-based animator and comedy writer with a degree in animation from Griffith Film School in Australia. Responsible for several short films, music videos and most notably, the cult short series *Rashman*, Maik is currently developing a number of animated shows that see his characters take on bizarre challenges and newfangled adventures. Maik's productions focus on original storytelling, character development and eye-catching design.

## Marrtoons

### Production

Marrtoons Animation have failed miserably at growing up. Video games, toys, cartoons - they flounder helplessly in their adolescence unable to escape that thing kids call 'fun'. And that's the inspiration for *MMOBOTS*, an MMO-themed kids and giant robots adventure presently in development.
